### **LASER FLORENCE 2017, November 9<sup>th</sup>-11<sup>th</sup>**

*“As the honorary president of ISLSM and the elected president of WFSLM, I would like to welcome all of you to the 29<sup>th</sup> International Medical Congress Laser Florence 2017 scheduled for November 9<sup>th</sup>-11<sup>th</sup>, in the Auditorium St. Apollonia, as organized by Dr. Leonardo Longo.*

*Florence is a beautiful renaissance city with precious artistic treasures, which you must see. Laser Florence is an important traditional event; in addition, it hosts the conference of WFSLM and ISLSM. Laser Florence 2017 will be rich in interesting and innovating topics of laser medicine, and I expect many laser experts of various fields from all over the world will come to attend this important meeting for exchange of their knowledge and experience as well as improving their friendship with fellow laser associates.*

*I would like to send my cordial thanks and congratulation to the conference president Dr. Leonardo Longo. I sincerely welcome all laser family to the beautiful city, Florence, on November 2017.”*

*Looking forward to meeting you all in Florence!*

*Ming-Chien Kao, M.D., D.M.Sc*

*Honorary President, ISLSM*
